Your child’s well being matters to us

At Pembroke we have a thorough Behaviour Management Plan designed to ensure that Pembroke is a happy, safe and secure learning environment for all children.

We utilize the skills of our Chaplain, Guidance Officer, Speech Therapist and Kids Hope mentors to ensure each child’s needs are met.

New Junior School

Extension Maths program with Yarra Hills Secondary College

New school uniform

Digital Excellence computer program

2 hours dedicated Literacy time each day in each class

"Step into Prep" transition program

WHY CHOOSE PEMBROKE FOR YOUR CHILD?

Children are at the centre of all we do!

Call to book a School Tour Ph: 9725 6689
A COUNTRY SCHOOL IN THE CITY

At Pembroke, children learn by “doing”. Spaces such as our Science Lab, Veggie garden, Woodwork shed and Butterfly Park provide opportunities for exploration, problem solving, and discovery.

Children are encouraged to ask questions, ponder possibilities and find answers. Explicit teaching of concepts and a structured approach to learning across the school also ensures that learning intentions and success indicators are known.

ASK YOURSELF …
Do you want your child to be at a school where:
- Every child is an individual not just a number?
- Teachers meet weekly to discuss individual student needs?
- Students work at their own level of skill rather than at the level of everyone else?
- Each child has a goal for improvement?
- Every child is known by every teacher?
- They have a huge amount of space to play and explore?
- Families are encouraged to be involved?
- Effort and a positive attitude is applauded?
- “Making a difference” is seen as something we can all do?

If you want these things then Pembroke is the place to be!

ENHANCED OPPORTUNITIES

Being a small school we have the capacity to offer every child unique and enriching programs and activities across all year levels.

Larger schools struggle to offer these opportunities to everyone.

At Pembroke every child matters!!

- Camping experiences from Year 2 onwards
- Interschool sport from Year 3 onwards
- Choir for all budding singers
- All children from Year 5 provided with meaningful student leadership roles
- Student well being programs such as Kids Hope, Kids with Courage, Seasons, Boys workshops, Buddies
- Everyone child involved in Whole School Production not just the selected few
- Whole school fitness program
- After school basketball teams for children from Year 1 upwards
- All children involved in community events: Celebrate Mooroolbark, Community Carols
- Huge open outdoor play and learning spaces
