Dear Grade 3/4 Parents,

As you may be aware, our whole school production this year will be performed in Term Two. This means we are already working hard to learn the songs and dances and plan costumes and props. Your children will be performing as various cats. They have the opportunity to choose whatever cat they would like to be, and will require a costume which resembles that particular cat. Keep it as simple as you like. Leggings and a t-shirt in the right colours will be fine. They will not be wearing shoes.

We are also considering painting the top half of their faces, but are looking into the logistics of this. They would need to have this face paint fully removed by yourself before returning to the evening performance and they would also need to arrive early at the theatre before the evening performance to allow time for new face paint to be applied.

Would you kindly assist us by returning the form below to school ASAP?

Thank you very much for your support,
Mrs. Jacqui Walker
Performing Arts Teacher

Student Name: ___________________________________________

I am happy for my child to wear face paint for the production  YES/NO
I am happy to remove the face paint myself after each performance  YES/NO
I am able to bring my child to the theatre early before the evening performance  YES/NO
