Welcome back to another wonderful term at Pembroke. I hope that everyone managed to spend some quality time with family members over the school holiday period. This Saturday, 8th October is a really important day at our school. We are having a massive community Blitz occurring from 8am—4pm. People who have no commitment to our school are giving up valuable time to undertake a huge working bee. This will include:-

- The development of a 'Harmony' garden in the Butterfly park space
- The creation of a wonderful rock wall all along our school oval
- The creation of a Chicken coop using the existing bike shed cage
- The installation of new seating along the oval
- The removal of old sand and the installation of new sand in our sand pit
- The upgrading of various pathways in the school

Whilst I can appreciate that the weekends are valuable, it is vitally important that we show our willingness to contribute in what will be a massive community undertaking. If every family could volunteer one hour of time this would be wonderful—lunch/morning tea provided. A huge thank you to Discovery Community care and the local Council for their support

NEWS FROM AROUND THE SCHOOL

REMINDER

Term 4 is a hat term so all children and staff who venture outside need to wear their hats. Hats are available to purchase at the Office

Absences—Please contact the Office if your child is absent 9725 6689 or send an email pembroke.ps@edumail.vic.gov.au. The school must account for all absences and document the whereabouts of children on each school day.

PRODUCTION

Production tickets are now on sale for our Whole School Production on Thursday, 20th October

Matinee and evening sessions are available at \$15 each.

Children also were provided with a bus transport note for the rehearsal and matinee session which needs to be returned

SOCCER MARCH PAST

Prior to the end of term, we sought expressions of interest for the Soccer March Past on October 11th. With the numbers exceeding the forty children allowed to attend, a decision was made for all children in Year 2—6 who returned their forms by the deadline to be selected. Children in Year 1 who returned their forms by this time will be put on a waiting list should some not be able to attend.

SPORT

Wishing our wonderful athletes competing on Thursday at the Divisional Athletics all the very best.

Children involved will need to be at school ready for an 8am departure

BETTER SAFE THAN SORRY!

A Community Home Safety Workshop

Wednesday 5 October 2016, 7:30pm to 9:30pm

Mooroolbark Community Centre
125 Brice Avenue, Mooroolbark

A FIRE can injure or kill people and damage or destroy a house, business building or community venue including contents – from inside or external causes.

"So, what would you do if you woke to find a tree had fallen across your house? Or the building filled with smoke?"

A STORM can adversely affect anyone at any time – in a building, on the road, in a park. FLOODS can also cause stress and damage – both flash floods and riverine.

This workshop will show you how to PLAN – PREPARE – ACT to minimise these threats, and get you on the road to having a Home Emergency Plan.

Working together
for safer communities

NOTE: This Community Safety Workshop will be repeated on Monday 17 October
9:30am – 11:30am, Lilydale Senior Citizens Centre, 7 Hardy Street, Lilydale
