## from the Principal ...

Welcome back to another term at Pembroke – our last for 2015. We hope that everyone has had a wonderful couple of weeks and are looking forward to the upcoming term. It will be an exciting one with Production, Swimming, Graduation, Divisional Softball and Athletics, Melbourne Victory Soccer, Mini Fete and of course some hard work. Let's work together to make this a great end to the year

**Reminder all newsletter items must be handed in/or emailed no later than 10.00am on a Wednesday morning to ensure it is included in the current week's edition of the school newsletter.**

### **HATS**

A reminder that in Term 4 children (and teachers) are required to wear hats as part of the Education Department's sun smart policy. Hats can be purchased from the Office – please ensure that these are named for ease of return.

### **PRODUCTION**

On the last day of Term 3, children who tried out for lead roles in this year's production were given scripts in order for them to learn their lines. Families can assist greatly by ...

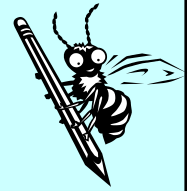

- Hearing children read their lines
- Acting as another character in the script
- Providing feedback on the use of voice to engage the audience and 'act the part'
- Using the italics in the script to talk about Actions

By the end of October, we are anticipating that all leads will be able to participate in Production practice without the use of scripts. Your help would be greatly appreciated.

### **CONGRATULATIONS**

Congratulations to the Tull family on their wonderful new baby boy, Floyd Jozef. We wish the family all the very best.

### **MURAL**

Have you seen our beautiful new mural near the vegetable garden. A very big thank you to the local Council for their funding support, Brad ( our artist) and students from Yarra Hills who inspired and led the whole project. If you haven't seen it yet, take the time to visit the garden and have a look.
